CTK Easter Appeal

We have received numerous thank you messages from all the charities that we supported in our recent Easter Egg appeal. Our community came together and donated over 600 eggs. Three hundred eggs went to Demelza Children's Hospice, 100 were given directly to children and families in need at a local primary school. We also sent 100 eggs to the local food bank, 100 eggs were donated through the St. Vincent De Paul Society, and 100 eggs donated to the Bring Be Sunshine event.

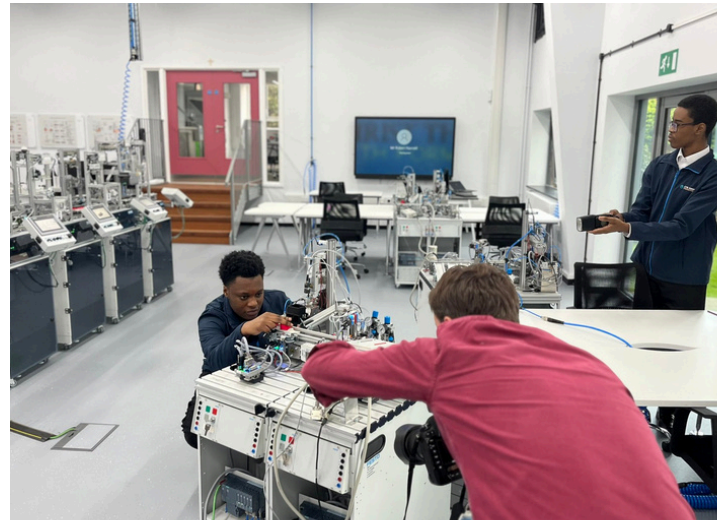

Thank you Deacon Javier Elderfield!

We wanted to take this opportunity of thanking Deacon Javier Elderfield for all the love, commitment and support he has given to our community over the past twenty-one year's. He has touched the hearts of many staff and students and supported many of us through joyful and sad times in our personal and working life. He will be missed by our CTK community. We will of course continue to work with Javier as he takes up an exciting position at St George's Cathedral.

Exciting Prospectus Shoot

This month we have been busy shooting for our 2025/26 prospectus. Our dedicated team has been hard at work, ensuring that we showcase the vibrant spirit of our sixth form community. From case studies to captivating snapshots of classroom adventures, we're designing a prospectus that not only reflects our values and achievements but also inspires prospective students to join us.
